StudentInformation v16.1.1 resolves an issue to improve your experience. This overview explains the recent changes.

Resolved Issue

ParentAccess Accounts

- (D11317) Previously, when a student or parent tried to reset a ParentAccess Account password, it failed. Now, ParentAccess Account passwords successfully reset.

State Reporting v16.1.1 provides several new features to improve your experience. This overview explains the recent changes.

Enhancements

End of Course Exam

- (E11212) When you add **End of Course Exam** (GE) results, in the **Period of Test** drop-down list, a new **Summer** (A Reporting) assessment period from July 18 to July 29 is now selectable for any **Assessment Area**. In the **Assessment Transfer - Collection (A)**, the date always displays as July.

Next Generation Assessment Grades 3-8

- (E11212) When you add **Next Generation Assessment Grades 3-8** (GN) results, in the **Period of Test** drop-down list, a new **Summer** (A Reporting) assessment period from July 11 to July 15 is now selectable for any **Assessment Area**. In the **Assessment Transfer - Collection (A)**, the date always displays as July.

- (E11212) When you add **Next Generation Assessment Grades 3-8** (GN) results, in the **Assessment Area** drop-down list, a new **03REA - Grade 3 Reading Promotion** is now available.
