StateReporting

UNCLEMIS

- (E12312) From FY17 and forward, the Student Demographic Verification (UNCLEMIS) process now ensures that students do not have both a **Withdraw Reason** of 35 and a **Sent to 1 Reason** or **Sent to 2 Reason** code of AU, CE, CR, CT, FP, JP, JV, MR, OS, PI, or PP. If a student has both criteria, you receive the error message: "FS34E - [effective date of incorrect FS record] - ERROR: Student cannot have withdrawal code 35 when Sent to 1 or 2 - AU, CE, CR, CT, FP, JP, JV, MR, OS, PI, PP."

- (E12312) From FY17 and forward, the Student Demographic Verification (UNCLEMIS) process now ensures that when a student has a **Withdraw Reason** of 35, their **District of Residence** IRN matches their current district. If the **District of Residence** IRN does not match their current district, you receive the error message: "FS35E - [effective date of incorrect FS record] - ERROR: Non-Resident Student cannot be withdrawn when Withdrawn Reason = 35."

- (E12312) From FY17 and forward, the Student Demographic Verification (UNCLEMIS) process now ensures that if a student has a **District Relationship** of 1 or 2, you receive the error message: "FS36E - [effective date of incorrect FS record] - ERROR: Withdrawal reason 35 should only be reported when the District Relationship value = 3."

- (E11701) From FY17 and forward, when the Student Demographic Verification (UNCLEMIS) process assesses errors FN19E, FN20E, and FN21E, it now compares the corresponding Third Grade Reading Guarantee **Math Diagnostic Result Code**, **Reading Diagnostic Result Code**, or **Writing Diagnostic Result Code** of each student with the **State Equivalent Grade** of that student at the start of the school year instead of the **State Equivalent Grade** of that student at the date the verification process is run.

- (E11766) From FY17 and forward, the Student Demographic Verification (UNCLEMIS) SMART error for the **Attending Building IRN** now allows any valid Building or District IRN for the district in context.

Assessment Transfer - Collection (A)

- From FY17 and forward, the Period A **Transfer - WorkKeys (WK)** now includes all WorkKeys assessments regardless of the date they were taken.
